

Styled Shoot Request Form

Thank you for connecting with Weinhardt Party Rentals about your styled shoot – we look forward to learning more about your ideas! We get tons of requests for style shoots and simply can't fulfill every one of them. Here are a couple things to keep in mind as you fill out the form below:

- We request that all rentals be from Weinhardt Party Rentals. We are happy to work with other vendors but want to avoid confusion about who provided what items (particularly when companies offer the same or similar items).
- We only participate in mid-week shoots. We also cannot deliver/pickup late-night, or after-hours.
- If delivery/pickup is needed, it must be paid for and all times must be flexible.
- Please submit styled shoot requests at least 4 weeks in advance of your proposed shoot date. The more lead time you can give us (3-4 months even), the more likely we will have room on our calendar for the shoot.
- Lastly, we do request image usage from the shoot for our marketing (print, web, blog, social media, etc.) We are happy to delay use if these photos are being submitted to any publications or blogs.

Thank you!
